SCOPE OF CONTEST

Contestants will demonstrate their ability to create an original weave style comparable to industry standards using sewing &/or bonding, cutting, and styling techniques. Competencies the technical committee will consider are:

- The style must be an original, creative, weave design.
- The difficulty of the style should show evidence of advanced skill level.
- The style must include attaching, shaping & thermal styling of artificial hair.
- Neatness of style.

Multiple colors of weave may be used. Bonding and/or sewing methods of attaching the weave to the hair are both acceptable; braiding is not acceptable as an attachment method. Mannequin's hair must be prepared prior to contest, i.e.: pre-braided and/or pre-gelled (ready for weave attachment). Pre-contest preparation is worth 50 pts of the final score.

Please note: Live models are not permitted.
