- Once the contest and judging are complete, advisors and spectators may take photos.
- If you cut yourself during the competition with the shears, you should have your own Band-Aids, etc. However, if it is a severe cut, please call the facilitator or judge.
- You must arrive on time. If you are late, you may join but will not be given extra time.
- If you have electrical problems, please see a judge or facilitator.
- Only contestants, not advisors, can file a grievance.

GENERAL CONTEST OUTLINE

Below is a general outline that should be used to prepare. Contestants will receive a detailed schedule and information at the contest orientation.

Contest Orientation

Contestants will meet at the contestant holding area and check in with the judges. Contest facilitator will go over procedures and answer any questions. Contestants will draw for stations.

Contest Setup

Contestants will set up stations. All tools and supplies should be disinfected prior to arrival. Remember to disinfect stations prior to using. Stations should be set up in a professional manner. First Women's Haircut Mannequin should be set up and properly draped.

Judges Kit/Supply Check

Judges will check for all required supplies for points.

Women's Haircut (45 minutes)

Mannequin #1 – Sam II or Barbara – may NOT be pre-colored and NOT pre-cut.

Contestants are given the haircut technical and have 5 minutes to review before beginning. Contestants will have 45 minutes to complete the haircut only – no style. Haircut may be completed with tool(s) of choice – shears, razor, texturizers, clippers. When time is called, contestants may not touch mannequin until instructed by the facilitator.

Creative UPDO (60 minutes)

Mannequin #2 – Sam II or Barbara – may be pre-colored and/or pre-cut.

Theme is "creative." This theme is open to interpretation for the contestant. Mannequins cannot be preset using any wet set technique or thermal curls/texture. Mannequin should be dry. Contestants will have 60 minutes to complete the creative updo. Thermal tools may be used to create the updo. No hairpieces, weaving, ornaments, extensions, ribbons, color spray, or glitter may be used. When time is called, contestants may not touch mannequin until instructed by the facilitator.

Blow Dry Style – Women's Haircut (30 minutes)

Mannequin #1 – Complete style on women's haircut

Thermal tools may be used. No hairpieces, weaving, ornaments, extensions, ribbons, color spray, or glitter may be used. No ornaments or hairpieces are allowed. When time is called, contestants may not touch mannequin until instructed by the facilitator.

Oral Communication

Each competitor will turn in a Professional Resume during orientation. Please make sure your resume is authentic. You will be judged on oral communication skills and how you present yourself. You will be asked for a brief explanation of your creative style. You can present inspiration, color placement techniques and style techniques using professional terminology. Judges may ask questions.

Written Test

- Technical Assessment – general knowledge of Cosmetology.
- Professional Development Assessment – SkillsUSA and professional development knowledge (study guide on state website)

Tests will be completed online in advance of the competition. Information will be emailed to contestants.

Infection Control Procedures

Competitors should practice the highest levels of infection control during the contest, including disinfecting stations prior to and at the conclusion of the contests. Each contestant will sweep their own hair with personal broom and dustpan and dispose of it in their own baggie. Use the plastic shoebox labeled "dirty tools" for your dirty combs and brushes.

Professionalism

Competitors are expected to conduct themselves with a professional, friendly, helpful attitude. All techniques should portray professionalism and confidence. Cell phones must be off and out of sight for the duration of the contest. Only communicate with judges during the contest. Mannequins must be displayed level so that judges can score properly.
