All contests will use this link to upload work. Select the competition from the dropdown list. After submission, the contestant will receive a confirmation email at the email address entered on the form. If a confirmation email is not received, the submission has NOT been received and should be submitted again. Verify the confirmation email was not delivered to spam or junk. If the student has submitted twice and still has not received a confirmation, contact the State Office at info@skillsusafl.org for next steps.

For team events, list one team member's name, and in the "Briefly describe what you are uploading" field, list the additional team member names. Only one team member's email address is needed.
