

ARCHITECTURAL DRAFTING UPDATE: SLSC25

VERSION 2 – UPDATED 2/19/2025

SUPPLIES AND MATERIALS

- Each contestant must bring vellum or drafting paper to the competition. At least 5 sheets is recommended per contestant.
- PC-type computer, monitor, and input devices. It is advisable to have active virus-protection software on the competitor's computer.
- Removable data storage device (flash drive).
- Architectural software of choice. School-owned computers must be set up to operate the software of choice independent of the school's network.
 - Competitors may use Autodesk or other software that requires internet access at the state competition. Wi-Fi access is provided during contest orientation.
- Students may bring published reference books, tables, and software manuals. Reference materials must not take up more than one cubic foot of space and may not be shared between competitors. Legal PDF copies of textbooks may be allowed if resident to the student's computer hard drive and approved by the technical committee.
- Typical personal drafting supplies desired for board drafting and freehand sketching subject to the approval of the technical committee
- Battery-operated calculator
- One 6' multiple-outlet surge protector
- Competitors choosing to use board drafting equipment must bring their own drawing board, equipment, and drafting supplies.
